## **2017 Membership - Oregon Geriatrics Society**

Oregon Geriatrics Society (OGS) invites you to consider membership in 2017 either as a new member or as a continuing member. Dues are for the calendar year **2017 (January 1 – December 31, 2017)**. OGS has a growing membership that includes a variety of health professionals. We have the potential to stand for, and strongly state, our views regarding the care of Oregon's older adults. We work with local and national agencies which allows us to address issues impacting elder care. We welcome health care providers from any state, not just Oregon, who wish to become members of OGS.

**Your membership in the Oregon Geriatrics Society includes numerous benefits and is a great value. Members receive a discount on registration for the Annual Conference in Sunriver, Oregon, a \$50 savings! Members may post job listings on the OGS website for free. Your dues provide support for OGS to further the mission of advancing geriatric care in the State of Oregon, through our participation in public policy development and education of providers at the Annual Conference, as well as support society programs such as our Poster Competition and Scholarship Program for trainees in geriatric healthcare.**

With your support OGS will continue to provide you the opportunity to be part of an organization that stands for excellence in the care for the elderly. Here are some upcoming conferences to take note of:

**AMDA – Society For Post-Acute and Long-Term Care Medicine**

March 16-18, 2017 Phoenix, AZ

**AGS - AMERICAN GERIATRICS SOCIETY**

May 18-20, 2017 San Antonio, TX

**OGS - OREGON GERIATRICS SOCIETY**

October 6-8, 2017 Sunriver, Oregon (Sunriver Resort)
