# **OGS SCHOLARSHIP PROGRAM 2021**

## ***ASSISTING STUDENTS, RESIDENTS, AND FELLOWS IN GERIATRIC HEALTHCARE TRAINING***

The Oregon Geriatrics Society Scholarship Program was established in 2010 to assist students, residents, and fellows in geriatric healthcare training, who have been selected to present a geriatric themed topic for poster or presentation at a national meeting. Funding for this program is provided from proceeds from an annual Silent Auction held in conjunction with the OGS Annual Conference.

The OGS board of directors will determine the amount and number of scholarships distributed depending on funds available and number of applications received in a given year. Typically, we are able to cover travel and some miscellaneous expenses, for one to two scholarships per year. OGS is delighted to help support future providers of the elderly and look forward to receiving applications for this scholarship program. Apply anytime throughout the year!!
